

include/ext/differentiation.tcc

```
graph TD; A[include/ext/differentiation.tcc] --> B[cmath]; A --> C[limits]; A --> D[array];
```

A diagram illustrating the inclusion of headers in a C++ file. At the top, a gray rectangular box contains the text `include/ext/differentiation.tcc`. Three blue arrows originate from the bottom center of this box and point downwards to three separate white rectangular boxes arranged horizontally below it. The leftmost box contains the text `cmath`, the middle box contains `limits`, and the rightmost box contains `array`. All boxes have a thin gray border.

`cmath`

`limits`

`array`
