

include/bits/sf_theta.tcc

```
graph TD; A[include/bits/sf_theta.tcc] --> B[vector]; A --> C[tuple]; A --> D[ext/math_const.h];
```

The diagram illustrates the dependencies of the file `include/bits/sf_theta.tcc`. It is represented by a grey rectangular box at the top. Three blue arrows originate from the bottom of this box and point downwards to three separate white rectangular boxes. The first arrow points to the box labeled `vector`, the second to the box labeled `tuple`, and the third to the box labeled `ext/math_const.h`. This visualizes that `include/bits/sf_theta.tcc` includes these three components.

vector

tuple

ext/math_const.h
