

include/bits/sf_mod
_bessel.tcc

```
graph TD; A[include/bits/sf_mod_bessel.tcc] --> B[complex]; A --> C[ext/math_const.h];
```

The diagram illustrates the dependencies of the file `include/bits/sf_mod_bessel.tcc`. It is represented by a grey rectangular box at the top. Two dark blue arrows originate from the bottom of this box and point downwards to two separate white rectangular boxes. The left box contains the text `complex`, and the right box contains the text `ext/math_const.h`. This visualizes that the top file includes both `complex` and `ext/math_const.h`.

complex

ext/math_const.h
